## ABSTRACT PROJECT / ABSTRACT ARTSPACE / APPLICATION FORM

"ABSTRACT PROJECT" is a collaboration and participation driven Art Centre aiming to address esthetical, scientific and societal issues related to abstraction. It is open to artists, curators, art critics, art historians and art students. It offers a space for exhibition and constitutes a platform for exchange, confrontation, creation, thinking and diffusion of non-figurative, non-objective abstract art of any form or medium. Debates, colloquia, workshops and artist residencies will be worked into the exhibition schedule. All contemporary creation projects are eligible provided they are closely related to abstraction.

## **Selection:**

Artists will be selected by the board of directors of the Abstract Art Space together with established artists and art professionals. The Abstract Art Space reserves the right to refuse the presentation of artwork that is too cumbersome or the physical or moral characteristics of which contravene safety regulations or public order.

## Conditions et modalities :

The Abstract Art Space operates as an association, with the members of Abstract Project and Réalités Nouvelles contributing on a voluntary basis. Abstract Project exhibitions have a cost, which means that artists must contribute financially. The cost varies according to the number of artists involved and the duration of the exhibition, which can vary from 2 to 4 weeks.

For example (2016):

- The cost for 3 artists exhibiting together for 2 weeks was 250€ / artist.
- An individual show for 2 weeks is 700€.

The Abstract Art Space, ABSTRACT PROJECT, receives no commission on the sales of the works exhibited at this exhibition. The transactions taking place between the client and the exhibitor.

## **Curatoring:**

The Abstract Project team, Abstract Art Space, is responsible for the curating and the hanging of artworks composing the exhibition.
